

The King's Big Wedding Party for His Son

Colour and cut out the pictures. Stick them on a strip of paper to use in this box television.

What's the secret meaning?

God wanted his chosen people to be happy that Jesus had come. But the leaders didn't want to welcome him. So the invitation was opened up to the rest of the world like us. If we accept God's invitation, we must be willing to want a new life, which is given to us.

To pray this week

Father God, you have invited us, just as we are, to your Kingdom. You forgive us our sins and clothe us in your robes of goodness. You satisfy our hunger and our thirst, and make us happy. Thank you, Father God, for all your goodness to us.
